Dear Parents and Carers,

I am writing to share the report from our recent Ofsted Inspection with you. Whilst this was an ungraded inspection, we are delighted that the school was judged to have retained the 'outstanding' standards in all areas as identified in our previous inspection.

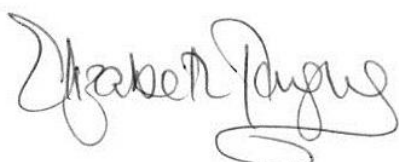

We are all immensely proud of our school and are very pleased that the report recognises the hard work and commitment of students, staff and governors. Whilst Ofsted did not identify any areas for improvement in their report, we are not complacent about the success of our school; we have all worked hard to achieve this and consequently have worked even harder to secure these judgments. I'm sure you'll join me in congratulating everyone who has contributed to this achievement, whether they be staff, students or one of our many volunteers.

I also want to recognise the contribution you have made as parents and carers by taking the time to complete Ofsted's Parent View survey. This is such valuable feedback, and we will read every comment as we continue to work to make the school the best that it can be.

You can access the report in full [here](#) and it will be published on the Ofsted website next week.

Thank you once again for all the support you continue to give our school. If you have any questions, please do not hesitate to contact the school by email to info@waldegravesch.org.

Yours sincerely,

Ms E Tongue
Headteacher
