This policy has been developed in line with the school Equality, Diversity and Inclusion Policy and the Public Sector Equality Duty to eliminate discrimination, advance equality of opportunity, and foster good relationships within the school community.

Uniform at Waldegrave School is of great importance as it is a direct reflection of our school and students. The purpose of our uniform is to ensure that all students are suitably dressed for a working environment, feel a sense of belonging to the school community, but that they are comfortable to travel to and from school and in all types of weather. On non uniform days students are expected to dress appropriately. Students are expected to travel to and from school in the correct uniform. The Sixth Form Dress Code sets out the standards expected in Year 12 and 13. This is outlined in a separate document. As part of our ongoing commitment to equality, diversity and inclusion Waldegrave school has adopted the [Halo Code](#).

It is important to us that uniform is affordable for all members of the Waldegrave community. Pre-loved uniform can be purchased through our F.O.W events throughout the academic year. Please see overleaf for more information relating to purchasing uniform items made from 100% cotton.
